MOZAICLAM
PVC LAMINATES

Mozaiclam PVC Laminates, is a leading manufacturer and supplier of high-quality PVC laminates for a variety of applications. We have been in business for over 8 years and have earned a reputation for producing durable and stylish laminates that are perfect for both residential and commercial use.

Our state-of-the-art manufacturing facility in Greater Noida is equipped with the latest technology and equipment, allowing us to produce laminates that are consistently of the highest quality. We use only the finest raw materials and follow strict quality control processes to ensure that our laminates meet the highest standards.

Along with our depots present in all 4 directions of India and pan India dealer network allowing us to provide fast and prompt service to all our customers.

In addition to our standard range of PVC laminates, we also offer custom solutions for clients with specific needs or preferences. Our team of experienced professionals is dedicated to helping our clients find the perfect laminates for their projects.

FEATURES

FIRE RETARDANT

Mozaiclām Pvc Laminates comes with an intrinsic flame retardant and our laminates are self extinguishing due to its high chlorine content. Making it the only fire retardant laminate available in the market. Thus, making your interiors as safe as possible.

UNICORE

Our Laminates are unicore i.e. the base colour of the sheet will be same as the top colour of the sheet which enables it to blend with the interiors giving your interiors a unique look and superior finish.

TERMITE & BORER PROOF

These laminates are made out of Virgin PVC Resin a polymer which termites, borers and other pests cannot eat or spoil. Keep your interiors intact for ages.

ECO FRIENDLY

Unlike conventional laminates our laminates are not made by cutting down trees and are recyclable making them eco friendly.

MOZAICLAM
PVC LAMINATES

ANTI BACTERIAL

Mozaiclām PVC Laminates are coated with a protective layer that makes our laminates anti bacterial and provides a clean protective environment to your family and loved ones.

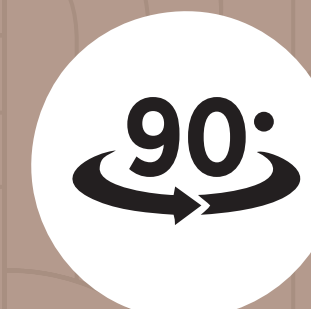

WATER PROOF

Mozaiclām PVC Laminates are totally waterproof in every sense. Dip it, soak it, wash it our laminates remain the same as these laminates is made out of virgin polyvinyl resin.

90° BENDABLE

These laminates can be bent at 90 degree over the edges with the use of V Groove cutter giving your interiors and furniture a seamless finish.

PREFERABLE FOR INDIAN CLIMATE

Mozaiclām PVC Laminates are specially crafted keeping in mind Indian Climate conditions which is harsh and extreme throughout the year. Our laminates are versatile, sturdy and durable making them the perfect surface partner for all your interior needs.

TECHNICAL SPECIFICATION

PRODUCT INFORMATION

Thickness :	1.25mm to 3.25mm
Standard Sizes :	1220mm X 2440mm
Sheet Options :	Length : Any (on order) Width : 1220mm

CUSTOMIZED SIZES AND SHADES CAN BE DEVELOPED ON REQUEST.

Range : These Elegant PVC Laminates come in a wide range of design, colours and finishes.

Adhesive : These laminates are easy to apply with the standard laminating system, including most of the conventional water and solvent based adhesives normally used with plastic laminates. We DO NOT recommend the use of heat activated adhesives.

Lamination : Proper substrates must be used and careful bonding procedures must be observed. Substrates should be of good quality plywood, PVC Board high density particle board, or high quality fiber board. The face of the substrate must be smooth and free of grease, wax, dust, chips and other foreign matter. We DO NOT recommend any kind of coat like PU base, melamine, lamination (wax) on our products.

Cutting & Machining : These laminates can be cut by using sharp diamond blade cutter only. We recommend the use of smooth file to feather all corner edges.

Bending : Kindly use V-Groove cutter to bend the sheets at 90°. For any difficulty please contact SKYDECOR.

Maintenance : Any cleaning agent containing acids, alkalis or abrasive should NOT be used to clean the laminate. Exposure to sunlight should be avoided.

Note : Skydecor warrants that all its products are free from manufacturing defects and perfectly fit for use in normal conditions. In case of any claim, the liability the company's is however limited to the cost of the product only. There may be batch to batch colour variation. The sample swatches only represent the designs, colours and finish. They do not represent the actual thickness.

KINDLY REMOVE THE PROTECTIVE FILM WITHIN 7 DAYS OF INSTALLATION OF LAMINATES.

Application images shown in the catalogue are for illustration purpose only, please refer to the actual product sample for colour and finish available.
